Work Experience

Global Strategic Business Process Solutions ***April 2025 - Current***
Data Entry Specialist / Legal Assistant

- Managed legal data entry, maintained case files, and supported attorneys with document preparation, court filings, and administrative tasks.
- Developed a custom web-based automation tool using React, Next.js, and TypeScript to streamline file creation, document transfers, and drafting workflows, reducing team workload by approximately 20%.
- Prepared and filed legal documents, including pleadings, complaints, dockets, FDLs, HUD/OCC letters, settlement documents, SWDs, and related materials for foreclosure, collections, eviction, and bankruptcy matters.
- Coordinated electronic service and court e-filings while ensuring accuracy, compliance, and timely submission of legal documents.

Cloudwalk Digital Inc. ***September 2024 - December 2024***
Junior Web Developer Intern

- Developed responsive web applications using Next.js, React, TypeScript, and Tailwind CSS; built reusable accessible UI components and supported deployment using Git, GitHub, CI/CD pipelines, and Vercel.

Professional Skills

Legal & Administrative: Case management, legal document drafting, e-filing/e-service, court procedures, docket management, records administration, and workflow optimization.

Mortgage & Financial Services: Mortgage servicing, foreclosure, loan documentation, default management, debt collections, bankruptcy, and eviction support.

Web Development & Software Engineering: HTML, CSS, JavaScript, TypeScript, React, Next.js, Node.js, Prisma, SQL, REST APIs, automation tools, and deployment with Vercel.

DevOps & Version Control: Git, GitHub, CI/CD pipelines, deployment, debugging, and application maintenance.

Technical Tools: Microsoft Office Suite, Google Workspace, Excel automation, PDF processing, and document automation.

Collaboration Tools: Citrix Workspace, Microsoft Teams, Zoom, and cloud-based document sharing.

Languages: Filipino (Native), English (C2 – Proficient).

Portfolio

- **Personal Portfolio Website:** Designed and developed a responsive portfolio website using Next.js and Tailwind CSS to showcase web development projects and skills. https://joshuas.vercel.app
